

DAILY ACCESS

INVESTMENT COMPANY

DAILY ACCESS welcomes you to the world of cryptocurrency investment and invites you to take advantage of participating in our investment plans from the most transparent company.

OUR GOAL

Our goal is to make investing in financial markets more affordable, more intuitive, and more fun, no matter how much experience you have(or don't have)

Whatever your circumstances, we offer wealth planning and investment management that is appropriate, personal, honest and clear. And whatever your ambitions, we are there to help you use investing in the financial markets to enrich your life

Our vision is to create sustainable wealth and income for investors all round the world, and we have fulfilled this mandate for over four years, and we continue each day to make our platform much easier, safer and more profitable.

We believe that the future of money is one where we, the people, are in control of our own economy. A future where there's no place for middle-men, hidden fees and fine print

OUR VISION

OUR MISSION

Empowering investors by providing them an avenue for controlling their financial future by providing outstanding service, innovation, and expertise in the custody of alternative and traditional assets. DAILY ACCESS is dedicated to helping investors around the world reach their desired investment goals and broaden their financial horizons. We provide investment products and solutions to our clients across the world. Our breadth of investment capabilities is extensive and among the most innovative within the market.

ABOUT US

DAILY ACCESS We are crypto trading investment organization. With our years of experience in trading on the financial market and with the help of our machines and experts operators have successfully built sustainable income for our partners and investors. We have our own office in Denmark and we are licensed and regulated by the financial bodies necessary. Those that invest and make profit with us, have an account manager who manages their funds and executes profitable trades for our investors.

DAILY ACCESS brings together the best aspects of crypto and the real economy in order to get to a qualitatively new level-composite economy. This means a simple integration of rules and customs of existing industries and segments of global and local economies. Utilizing the power of the global community and the sharing economy to tear down the barriers and revolutionize the old and inefficient financial systems.

Our Investment Philosophy

We will maintain a consistent decision making process within the organization and invest responsibly as a major investment firm. By looking for market inefficiencies, we determine the gap between the optimal price and the current market price of the asset, and produce excess revenue. We look for investment opportunities through intensive research, analysis and insight. With a continuous and consistent investment approach and extensive risk management, we aim to steadily reach our investment goal. We combine our deep knowledge of local markets with the power of coordinated global oversight to drive better investment outcomes for our investors.

Profitability is our priority

The technology developed by DAILY ACCESS allows us to study the evolution of the main cryptocurrencies and their price in different currencies and operate in the market using advanced algorithms.

After years of research, we have optimized the system to obtain maximum profitability.

- ◆ Real-time monitoring and analysis of the main cryptocurrencies and their price in different currencies
- ◆ AI algorithms developed to find the best opportunities
- ◆ Continuous optimization and adaptation of the platform

Why we need Investment?

 **Investing** means to use your money to make more money. Technically, anything that generates a return is an “investment”. Investing ensures present and future longterm financial security. The money generated from your investments can provide financial security and income.

If you want to retire or become financially independent, investing is the way to do it

What should I Invest in?

Our platform is designed for everybody. You can manually pick your own investment package and let our qualified professionals and automated systems manage your investments for you. And if you need help, there are real people to talk to via our live chat.

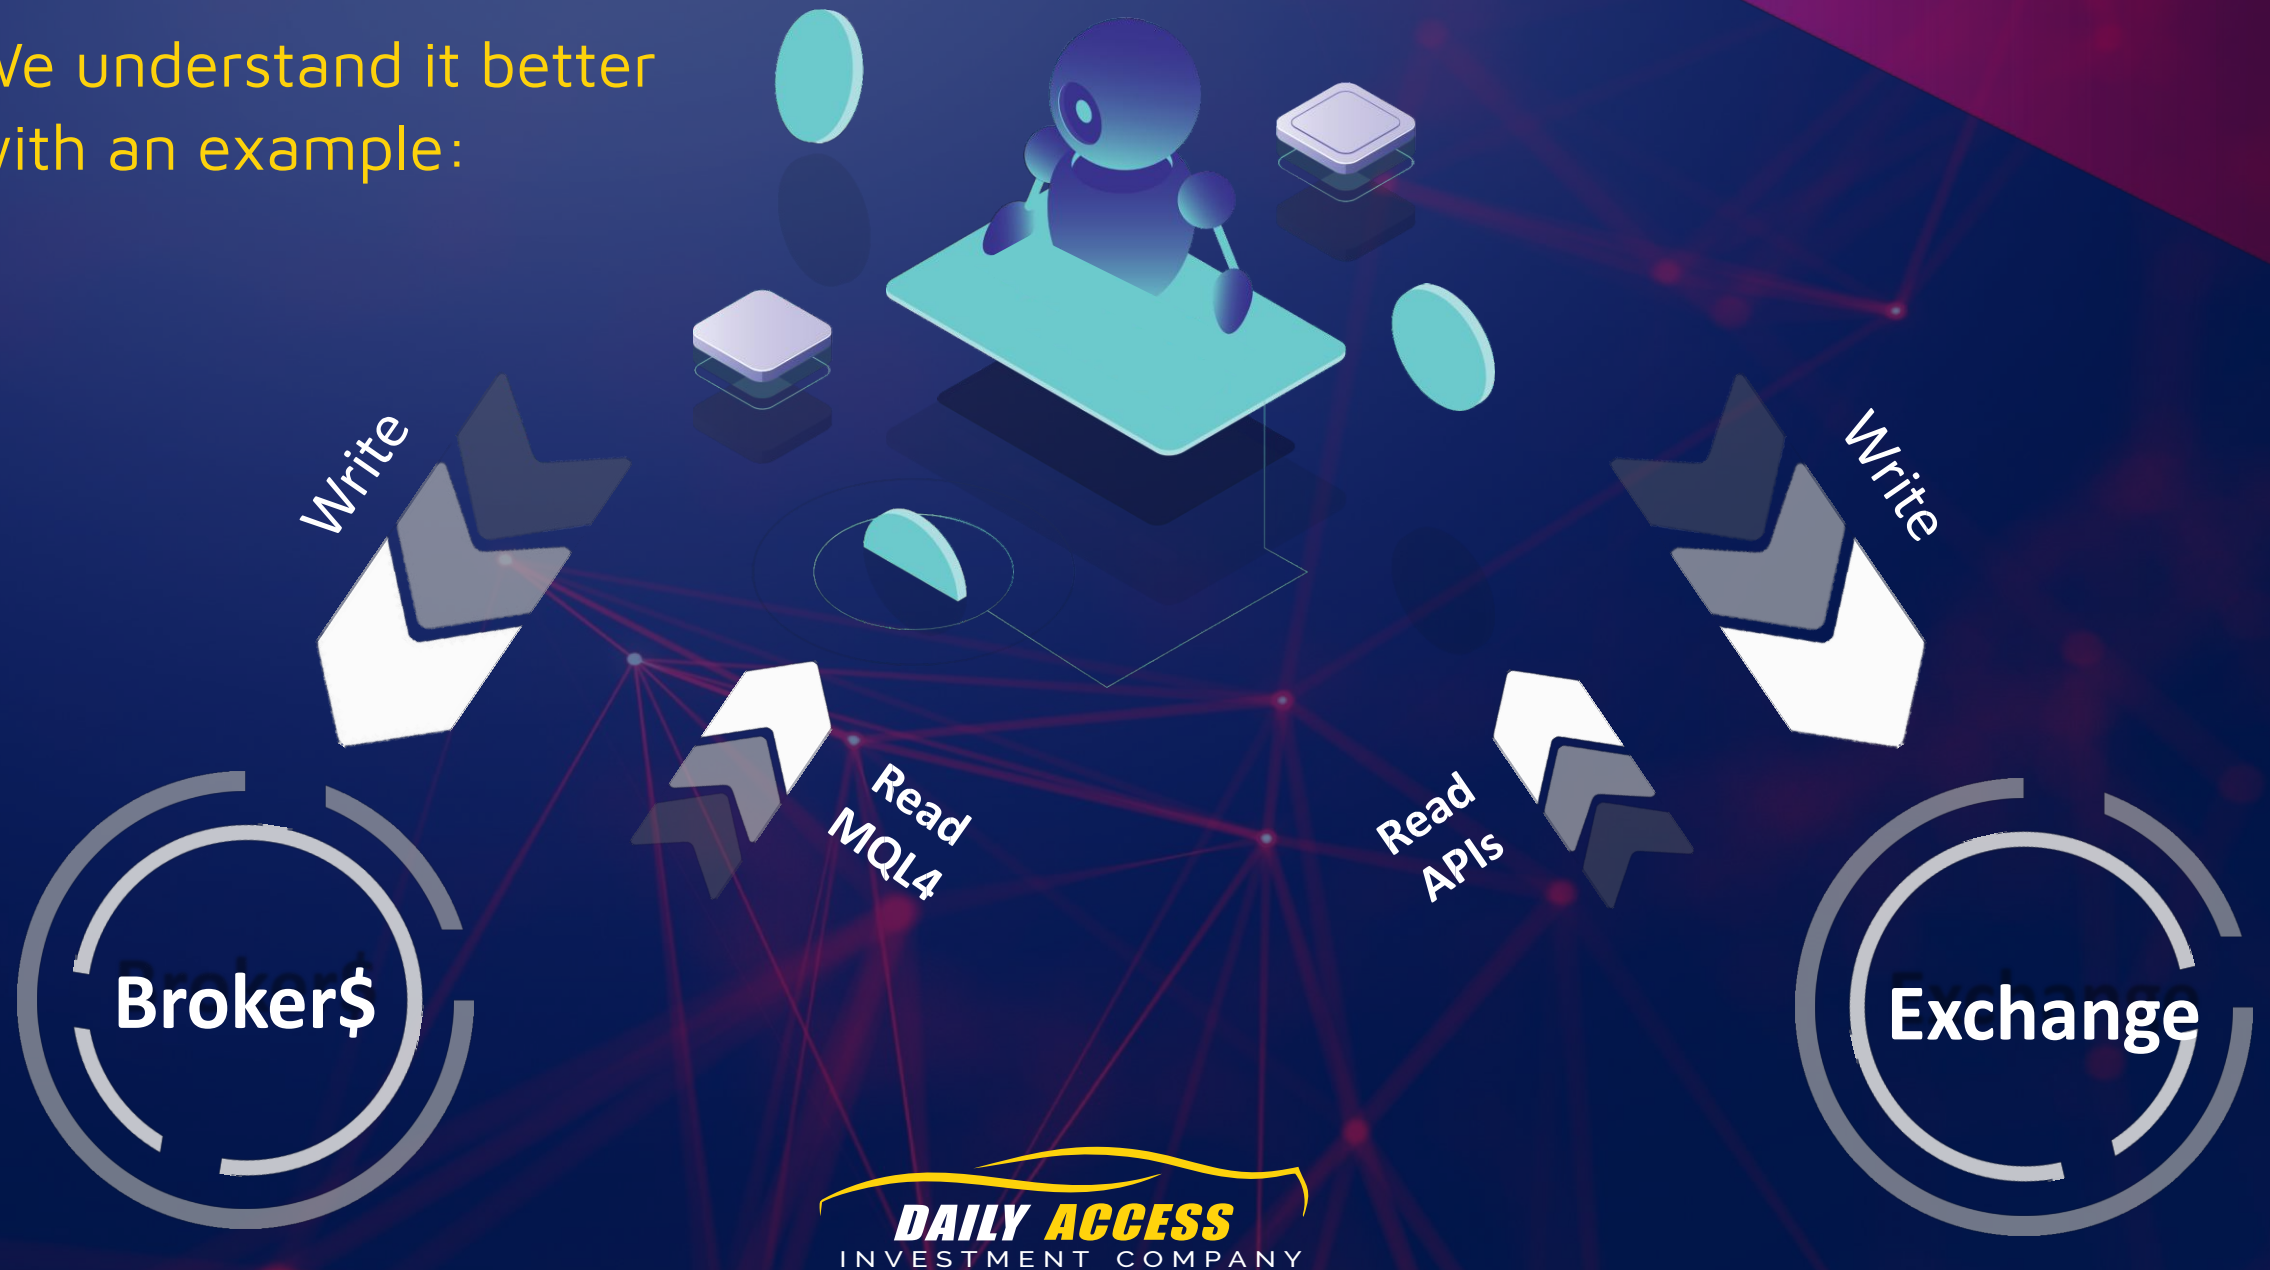

Fully regulated & invested funds are protected by insurance

Our company is fully regulated by the FCA and CySec and your funds are, additionally, covered by our insurance policy so you don't have to worry about losing your invested capital.
